**FORM 477 FILING INTERFACE EXPERIENCING TECHNICAL ISSUES;
FILING DEADLINE EXTENDED**

WC Docket No. 11-10

With this Public Notice, the Office of Economics and Analytics (Office) hereby extends the March 1, 2021 filing deadline for the submission of Form 477 data as of December 31, 2020. The Office will announce the new filing deadline by Public Notice once technical issues in the filing interface are resolved.

On February 21, 2021, the Form 477 filing interface experienced significant unanticipated technical issues that have required the site to be inaccessible. The Office is working to resolve these technical difficulties as quickly as possible. In light of these technical issues, we are extending the deadline for the submission of Form 477 data as of December 31, 2020 beyond the original March 1, 2021 deadline. Once the filing system reopens, the Office will release a Public Notice announcing that the filing system is accessible for filers and establishing the new filing deadline. We apologize for the inconvenience related to these delays.
